EXPERIENCE

November 2018 - Present

POOL & HOT TUB ALLIANCE Graphic Designer

Recently led a company-wide rebranding project. Worked with a team to develop the branding guidelines, designed a family of 15 logos, rebranded existing marketing and product collateral, including three 300+ page books. Created graphics for Water Safety USA's 2019 awareness campaign. Worked annually on a cohesive event design for the World Aquatic Health Conference.

May 2010 - Present

SELF-EMPLOYED Graphic Design Freelancer

Work consists of branding and web design. Designed the logo and all print/digital collateral for the American Cancer Society's 2019 Hope Ball fundraiser event.

October 2012 - January 2016

ATLANTA COMMUNITY FOOD BANK Web & Graphic Designer

Functioned as part of a marketing team and designed mainly, though not entirely, within an existing brand. Worked primarily on print materials and, occasionally, web graphics. Largest contributions include design concepts, cost analysis and scheduling installation for several large projects including truck wraps and a two-story mural.

April 2012 - October 2012

TSS PHOTOGRAPHY Jr. Graphic Designer

Used and adapted quickly to product, software and customizability limitations which influenced design decisions without sacrificing integrity. Largest contributions included a redesign of the trading cards and a comprehensive conference design.

December 2011 - February 2012

PENSACOLA INSTANT PRESS Graphic Designer & Receptionist

Prepared files for laser printers and letterpress, all while performing standard customer service duties at the front desk. Gave a facelift to the existing branding and also took the initiative to add useful items such as paper sample booklets.
